CAPITAL OVER 350,000 DOLLARS, AND CONSTANTLY INCREASING. The Charter of this Company offers more favorable advantages to the farmer und others, than any prefer, he can pay the full amount of the premium in cash, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a momber, and giving a small premium note, the in-sured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the J. w. BURKE. combination of the

CASH AND MUTUAL PRINCIPLE. This Company commenced issuing Policies gainst loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thou-sand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospects of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States. All differences in settlement of losses, may be letermined by three disinterested arbitrators of the County where such loss happened, to be mutually chosen by the insured and the Company.

VIRGINIA MANUFACTURES .-- We understand that the mills for the manufactory of cloth in this State, have orders to fill, that will keep them busy until May next. The demand is from all parts of the South, and from New Orleans, there are large orders for "Virginia Home Spun." This is encoureging, and we hope that it may continue, and that ere long manufacturing establishments will spring up in all parts of the State. Make Virginia a manufacturing State, and she will be independent of the world.

SOUTHERN INDEPENDENCE .- Mr. W. B. Richards, Jr., of this city, has received orders for uniforming two military companies in Charles county, Md., the Piscataway Rifles, and the Charles County Cavalry. The suits and caps are to be made of Virginia cloth, the orders as to material being impera- to enter and find the Angel his heart has tive. The uniforms will all be made in this | sought for. place. It is by encouraging home manufactures that we can establish Southern independence.
